## **Responsive Reading: Resolution of Immediate Witness**

(Adapted from the 1996 General Assembly supporting the right for same-sex couples to marry.)

### **Because Unitarian Universalists affirm the inherent worth and dignity of every person;**

And because marriage is held in honor among the blessings of life;

### **WHEREAS debate about legally recognized marriage to same-sex couples has focused on the objections of certain religious communities,**

While the Unitarian Universalist Association has supported equal rights for gay, lesbian, bisexual, and transgendered persons, including support of Ceremonies of Union between members of the same sex.

### **THEREFORE be it resolved that the Unitarian Universalist Association adopts a position supporting legal recognition for marriage between members of the same sex,**

BE IT finally resolved that the 1996 General Assembly of the Unitarian Universalist Association urges member congregations to proclaim the worth of marriage between any two committed persons and to make this position known in their home communities.

#### **National Marriage Challenge**

Half of today's non-pledge collection will go to the National Marriage Challenge (NMC). The NMC is an accredited 501(c)(3) which is the sole entity authorized by the DeBoer family to fundraise exclusively for the *DeBoer v Snyder* case; 100% of funds raised through NMC will be used to support the lawsuit. If you are a pledging member, please note on your envelope or in the memo of your check what, if any, portion of your contribution today should go to the NMC. Thank you from the NMC and First UU for your generous contributions!

#### **Potluck for Sunday, April 12<sup>th</sup>, 2015**

This will be a special potluck as we will be in the church house parlor for coffee hour on this Sunday. #### **Selling of Audio CDs Discontinued**

We've discontinued the practice of selling audio CDs of the worship services in Coffee Hour. Our equipment broke down, and demand is down because the sermons are available on our website (at [1stuu.org/Worship/sermonAudio.php](http://1stuu.org/Worship/sermonAudio.php)). We continue to record the entire service and save the recordings, so if you ever want an audio copy of some or all of a service, let Dan Secrest or anyone on the sound team ([sound@1stuu.org](mailto:sound@1stuu.org)) know.
