

### Today's Music

**Prelude:** *Rondeau* from Sinfonies de Fanfares  
Jean Joseph Mouret (1682-1738)

A rondeau, or the English equivalent "rondo", is a musical form in which a principle theme alternates with contrasting sections called "episodes" or "digressions." In this case, listen for the form ABACA, where the main theme A is played three times.

**Musical Meditation:** *Largo from "Xerxes"*  
George Frederick Handel

Xerxes is an opera in three acts by George Frideric Handel. The opera is set in Persia (modern-day Iran) in 480 BCE and is very loosely based upon Xerxes the Great of Persia (519-465 BCE), though there is little in either the libretto or music that is relevant to that setting. Although the English title Xerxes is widely used, the original Italian title was Serse. The opening aria, "Ombra mai fu", sung by Xerxes to a plane tree (*Platanus orientalis*), is set to one of Handel's best-known melodies, and is often played in an orchestral arrangement, known as Handel's "Largo" (despite being marked "largo" in the score).

**Offertory:** *Sonatina in A Minor*  
George Frederick Handel

Jean Joseph Mouret (1682-1738)

### ***There Is More Love Somewhere #95***

African-American Hymn

1 There is more love somewhere. There is more love somewhere.  
I'm gonna keep on 'til I find it. There is more love somewhere.

2 There is more hope somewhere. There is more hope  
somewhere. I'm gonna keep on 'til I find it. There is more hope  
somewhere.

3 There is more peace somewhere. There is more peace  
somewhere. I'm gonna keep on 'til I find it. There is more peace  
somewhere.

4 There is more joy somewhere. There is more joy somewhere.  
I'm gonna keep on 'til I find it. There is more joy somewhere.

### ***De Colores #305***

words by David Arkin, Traditional Spanish Folk music

1 All the colors, yes, the colors we see in the springtime with all of  
its flowers. All the colors, when the sunlight shines out through a  
rift in the cloud and it showers. All the colors, as a rainbow appears  
when a storm cloud is touched by the sun.

(Chorus) All the colors abound for the whole world around and for  
ev'ryone under the sun.

2 All the colors, yes, the colors of people parading on by with their  
banners. All the colors, yes, the colors of pennants and streamers  
and plumes and bandannas. All the colors, yes, the colors of  
people now taking their place in the sun. (Chorus)

3 All the colors, yes, the black and the white and the red and the  
brown and the yellow. All the colors, all the colors of people who  
smile and shake hands and say "Hello!" All the colors, yes, the  
colors of people who know that their freedom is won. (Chorus)

1. De colores, de colores se visten los campos en la primavera.  
De colores, de colores son los pajaritos que vienen de a fuera. De  
colores, de colores es al arco iris que vemos lucir. Y por eso los  
grandes amores de muchos colores me gustan a mi.

### ***Take Me Out to the Ball Game***

words by Jack Norworth, music by Albert Von Tizer (1908)

Take me out to the ball game,  
Take me out with the crowd;  
buy me some peanuts and Cracker Jack,  
I don't care if I never get back.  
Let me root, root, root for the home team,  
If they don't win, it's a shame.  
For it's one, two, three strikes, you're out,  
At the old ball game. (Repeat)

### **Reading: #441 *To Worship***

To worship is to stand in awe under a heaven of stars, before a  
flower, a leaf in sunlight, or a grain of sand.

*To worship is to be silent, receptive, before a tree astir with  
the wind, or the passing shadow of a cloud.*

To worship is to work with dedication and with skill; it is to pause  
from work and listen to a strain of music.

*To worship is to sing with the singing beauty of the earth; it  
is to listen through a storm to the still small voice within.*

Worship is a loneliness seeking communion; it is a thirsty land  
crying out for rain.

*Worship is kindred fire within our hearts; it moves through  
deeds of kindness and through acts of love.*

Worship is the mystery within us reaching out to the mystery  
beyond.

*It is an inarticulate silence yearning to speak; it is the  
window of the moment open to the sky of the eternal.*

~Jacob Trapp
