### Notice of Annual Congregational Meeting—May 15

Pursuant to Article IV, §2(A) of our by-laws, at 12:30 P.M. on Sunday, May 15, 2016, we will hold our Annual Congregational Meeting in the Sanctuary. At our Annual Congregational Meeting, the voting membership will elect a President and Vice-President, trustees-at-large as appropriate for expiring terms or vacant positions, and all other elected positions as provided for in our by-laws. The voting membership will also approve a budget for the 2016-17 fiscal year, receive committee reports, and transact any and all other business of the Church.

### Calling for More Worship Leaders

The Worship Committee is looking for more members to be trained as Worship Leaders. A Worship Leader is the person who sits up on the Chancel across from the Minister and reads a welcoming statement, announces the hymns and offertory and co-reads the Call to Worship with the Worship Coordinator. We will help you practice and give you tips about how to do the job. So for anyone who is interested in getting more information about this important but not so hard task, please email the Worship Committee at [worship@1stuu.org](mailto:worship@1stuu.org).

### Time to Decide—VOTE your choice at the May Congregational Meeting

Who are we? How do we want to be known in 50 years? Do we have an approved brand name that is consistently used? That conveys what is most important about who we are, intuitively? Our legal name is: First Unitarian-Universalist Church. Currently, we use many different acronyms or abbreviations in our documents, publications, newsletters, and Order of Service. Below are listed the variety now seen (there may be others)

1. FUUD
2. FUUCD
3. First UU
4. 1stUU
5. First Church
6. First Church Detroit
7. First UU Church Detroit
8. First UU Church of Detroit

In addition, a new domain name, UUDetroit, has been acquired. The website will be migrated to the new domain sometime in 2016. Therefore, other suggested acronyms, inspired by the new domain name, might be:

9. UUDetroit
10. UU Detroit

Based on the congregational vote, we will implement the use of our acronym in all our documents, publications, press releases, orders of service, newsletter, official minutes and reports, etc., and any other written material, as well as on our website and social media.

### Committee Fair—07/10/16, 12:30 pm

Oh, we wish things happened at First UU with magic, but it takes everyone volunteering to make this a great church. Committee Chairs/Leaders/ Coordinators are encouraged to be part of our upcoming Committee Fair.

### One-On-One— 05/029/16, After the Service

As a result of our phenomenal growth as a congregation, we have a record number of new members. Let's all get to know each other, at our first One-On-One, on Sunday, May 29, 2016 at 12:30 pm.

## Sunday Sermons and Events

- 5/15 11:00 a.m. Sermon, “Unitarians in the D - Since 1833”**  
**Speaker:** Daniel Rebb  
The boundaries between Unitarians and Universalists in Detroit were often quite fuzzy from the 1830's until the two congregations merged in 1934. Our historical reenactment service in January showed how Universalists worshiped in this sanctuary during its very early days; this service continues our Centennial history theme by giving equal time to our Detroit Unitarian ancestors.
- 5/22 11:00 a.m. Sermon, “Remembering Tillich”**  
**Speaker:** The Rev. Dr. Stephen Butler Murray  
Paul Tillich was one of the most important theologians of the 20th century, and often seen as a patron saint by Unitarian-Universalists because of his work on the relationship of theology and culture and an expansive theology of world religions. A week after delivering the keynote address at the 50th anniversary of Paul Tillich's internment at the Paul Tillich Park in New Harmony, Indiana, I will talk with our congregation about why this theologian is still relevant for us to read and discuss today.
- 5/29 11:00 a.m. Sermon, “Memorial Day Blues”**  
**Speaker:** The Rev. Dr. Stephen Butler Murray  
Memorial Day is often a hard time to reconcile for lovers of peace. We do want to honor the sacrifices of those who went before us, and at the same time, want to insist on alternatives to war in the present and future. How do we strike a resonant note that allows both for respect and rebellion? How can we be patriotic and critical all at the same time?
