

Edelweiss from "The Sound of Music"

words by Oscar Hammerstein, Music by Richard Rodgers

Edelweiss, Edelweiss, Ev'ry morning you greet me.
Small and white, clean and bright, you look happy to meet me.
Blossom of snow, may you bloom and grow, Bloom and grow
forever.

Edelweiss, Edelweiss, Bless my homeland forever. (Repeat)

Imagine (1971)

John Lennon

1. Imagine there's no heaven, it's easy if you try.
No hell below us, above us only sky
Imagine all the people living for today. Ah----

2. Imagine there's no countries, it isn't hard to do.
Nothing to kill or die for, and no religion too.
Imagine all the people living life in peace.

You--- you may say I'm a dreamer, but I'm not the only one.
I hope some day you'll join us, and the world will be as one.

3. Imagine no possessions, I wonder if you can.
No need for greed or hunger, a brotherhood of man.
Imagine all the people, sharing all the world.

You--- you may say I'm a dreamer, but I'm not the only one.
I hope some day you'll join us, and the world will be as one.

Love Will Guide Us #131

Traditional Music, words by Sally Rogers

1 Love will guide us, peace has tried us, hope inside us will
lead the way on the road from greed to giving. Love will guide
us through the hard night.

2 If you cannot sing like angels, if you cannot speak before
thousands, you can give from deep within you. You can change
the world with your love.

3 Love will guide us, peace has tried us, hope inside us will
lead the way on the road from greed to giving. Love will guide
us through the hard night.
