### Developing Your Leadership Workshop

Organizations are only as strong as the people who lead and manage them, whether you are a church, a nonprofit organization or a for-profit company. There is nothing more critical to an organization's success than the development of its leaders: especially today as churches are continually challenged to identify strategies that help improve organizational stability.

Leaders are needed at all levels of churches. Your Planning Committee is pleased to announce a two hour workshop on leadership development to be held on Sunday October 4<sup>th</sup> at 12:30 at church. The workshop will be limited to the first 15 church members who register to attend. To register for your attendance please email [Deanna.mcgraw@sbcglobal.net](mailto:Deanna.mcgraw@sbcglobal.net) or call Deanna at 586-202-5241..

### Vespers

This month's Vespers on July 29<sup>th</sup> at 6 pm in the parlor/Memorial Hall will feature a couple of favorites: Mary Oliver and Billy Collins, plus a delightful essay from the July 5<sup>th</sup> *New York Times*. I haven't chosen the music yet. Please come join us for a restful hour in the midst of your busy lives. Al Acker

### New Committee

On Sunday, July 26, 2015 after the service at 12:30pm, our music director, Todd Ballou will convene a new *ad hoc* committee to investigate the popular idea of fundraising for and purchasing the UU hymnal supplement, titled "Singing the Journey." This committee will mostly be focused on planning and executing the fundraising effort.

The "Singing the Journey Committee" will meet more than once, so if you cannot make it next week, just talk to Todd, or keep an ear open for the next meeting.

## Activities In and Outside the Church

**7/26 11:00 a.m. Sermon**, "On Receiving the (Un)Holy Ghost: Learning to Listen to the Underside of the Strait." This century promises to be the century of water wars--so say the planners. In Detroit, it has already begun. As a strait, where passes one fifth of the planet's fresh surface water, we live on embattled turf. Living well in the future--indeed, living at all--will require new relations, not only among ourselves, but to our entire watershed and the history of struggle it carries on its back. Detroit spirituality today has its work cut out. It begins with listening to the ancestors of place--all of them, whether human or not. They await our heart and attention.

Guest speaker, Dr. James Perkinson, PhD
