Comfort Me #1002

Words and music by Mimi Bornstein-Doble

1. Comfort me, comfort me
Comfort me, oh my soul. (repeat)
2. Sing with me...
3. Stand with me...

We're Coming Home

Carolyn McDade

CHORUS

We're coming home to the spirit in our soul
We're coming home and the healing makes us whole.
Like rivers running to the sea,
we're coming home, we're co—ming—home

1. As the day is woven into night
As the darkness lives within the light
As we open vision to new sight
We're coming home, we're co—ming-- home. CHORUS
2. Bearing words born new unto each day
speaking bold where only silence lay
As we dare to rise and lead the way
We're coming home, we're co—ming-- home. CHORUS
3. To create a world of joy and peace
Where the power of justice does release
Love abounding, wars forever cease
We're coming home, we're co—ming-- home. CHORUS

Gonna Build a Mountain from "Stop the World—I Want to Get Off"

words and music by Lesclie Bricusse and Anthony Newley

Gonna build a mountain—from a little hill.
Gonna build a mountain—least I hope I will.
Gonna build a mountain—gonna build it high
I don't know how I'm gonna do, only know I'm gonna try.

(continued on next page)

Gonna build a daydream—from a little hope.
Gonna push that daydream—up the mountain slope.
Gonna build a daydream—gonna see it through.
Gonna build a mountain and a daydream, gonna make em both come true.

Gonna build a heaven— from a little hell.
Gonna build a heaven— and I know darn well,
If I build my mountain— with a lot of care,
And take my daydream up the mountain, heaven will be waiting there.

Reading: #611 - *Brahman*

I am the Self that dwells in the heart of every mortal creature:
I am the beginning, the life span, and the end of all.

__I am the radiant sun among the light-givers:
__I am the mind:
__I am consciousness in the living.

I am death that snatches all;
I, also, am the source of all that shall be born.

__I am time without end:
__I am the sustainer: my face is everywhere.

I am the beginning, the middle, and the end in creation:
I am the knowledge of things spiritual.

__I am glory, prosperity, beautiful speech, memory, intelligence,
steadfastness, and forgiveness.

I am the divine seed of all lives.
In this world nothing animate or inanimate exists without me.

__I am the strength of the strong;
__I am the purity of the good.

I am the knowledge of the knower.
There is no limit to my divine manifestations.

__Whatever in this world is powerful, beautiful, or glorious, that you
may know to have come forth from a fraction of my power and glory.
